AWARD

1. The 1st Party workman / former employee / part time employee (1/2) scale of the Canara Bank has raised the Industrial Dispute under Sec 2-A of the Industrial Dispute Act, 1947 (for brevity 'the Act' herein after).

His claim is,

he joined the service as PTE on 12.01.2005 and subsequently his service is regularised. He is dismissed from service as a measure of punishment after certain charges came to be proved against him in a Departmental Enquiry. At the time of his dismissal, he was working at Haveri Branch of the 2nd Party. He disputes the charges alleged against him and contends that, he was not concerned with the alleged charges; his signatures were obtained on blank paper and he is made a scapegoat. He was not given sufficient opportunity by the Enquiry Officer. He is challenging the legality of the Enquiry Report so also the Punishment Order. He pleads that, since the date of his dismissal, he has no source of income to maintain his dependent family; he is age barred to get any other employment.

2. The 2nd Party contested the claim, denied all the allegations made against the Enquiry / Enquiry Report and the Punishment Order. They have sought to justify the action taken against the 1st Party workman.

3. A Preliminary Issue was raised in view of challenge made by the 1st Party in his Claim Statement regarding fairness and correctness of the Domestic Enquiry. The Domestic Enquiry records are marked by consent as Ex M-1 to Ex M-7. The Preliminary Issue is answered affirmatively upholding the fairness of the Domestic Enquiry and also by keeping open all the legal contentions to be addressed at the time of final argument.

4. The 1st Party workman has placed evidence by way of affidavit in respect of unemployment.

5. Both have submitted their argument oral / written along with the authorities of their reliance.

6. The allegation against the workman in the Charge Sheet dated 15.06.2013 was,

While working as PTE (1/2) scale at Haveri Branch,

(i) He fraudulently withdrew Rs. 5,15,000/- from SB A/c 2812.101.001040 of Sh. K. L. Uppar on 15.01.2013, 18.01.2013 and 19.01.2013.

(a) He forged the signature of the account holder in a cheque request letter and obtained the cheque book of 20 leaves.

(b) On 15.01.2013, he forged the signature of account holder in 4 cheques and withdrew the amount.

(c) He destroyed the cheque request letter submitted to the Branch on 15.01.2013.

(ii) During the investigation, he admitted the fraudulent act and remitted back 5,15,000/- fraudulently withdrawn. In the explanation given by him dated 27.02.2013, he admitted the lapses.

The above action constitute gross misconduct within the meaning of Chapter XI regulation 3 (I) of Canara Bank service Code.

7. During the Enquiry, the CSE was assisted by his Representative. Four witnesses were examined for the Management and 30 documents were marked as Mex-1 to Mex-30. CSE opted not to adduce defence evidence, however, submitted his defence brief. The Enquiry Officer returned his finding holding the charges against the CSE as fully proved. The Disciplinary Authority marked the Enquiry Report to the workman for his remarks and he submitted the same. The Disciplinary Authority proposed the punishment of dismissal without notice and afforded a personal hearing. The 1st Party participated in the personal hearing and submitted his letter. The punishment proposed was confirmed vide Order dated 22.11.2013 and the said Order is confirmed by the Appellate Authority.

8. Now coming to the evidence placed before the Enquiry Officer,

MW1 was the Manager of the Haveri Branch; through him, the Fraud Report dated 28.01.2013 submitted by the Branch, statement of account of Sh. K.L. Uppar, his complaint dated 29.01.2003, two letters addressed by the witness to the Investigating Officer, specimen signature card of Sh. K.L. Uppar, seven cheques under which money was fraudulently withdrawn, the Investigating Report along with the statements of the CSE and other witnesses recorded by the Investigating Officer, the letters / replies of the 1st Party were marked as Mex-1 to Mex-30. The witness identified the hand writing of the 1st Party on Mex-11 to Mex-13 which are the SB pay in challans deposited by CSE to the account of Sh. K.L. Uppar. Vide Mex-5 is the letter of the witness dated 29.01.2013 wherein he has communicated to the Investigating Officer that the cheques along with specimen signature card were kept in the double lock under the joint custody of key holders; as per the system 16 unpaid cheques were destroyed on 23.01.2013. These cheques are allegedly destroyed physically by CSE. The witness deposed that, CSE himself confirmed that he has destroyed the unpaid cheques.

The first witness was the then Manager of the Branch who submitted Fraud Reports to the Head Office. At Ex M-1 / Fraud Report, page 2 it is mentioned to the effect that *“the fraudster used two cheques from cheque book to draw Rs. 95,000/- and Rs. 95,000/- on 18.01.2013....”* One Sh. Prasanth Daivajnya was contacted and he admitted that he had received the cash by signing as “Chandru” on the reverse of the cheques on 19.01.2013 to the tune of Rs. 3,25,000/-; he also told that he did not know the particulars of 18.01.2013; the cheques were given by the PTE of the Branch and he has done as per the advice of PTE; he agreed for the remittance of Rs. 3,10,000/- through PTE on 22.01.2013....; PTE remitted Rs. 3,10,000/- on 23.01.2013 to Sh. K. L. Uppar account; he admitted the mistake; he agreed that, he has taken the entire amount of Rs. 5,15,000/- through third parties; he agreed for paying remaining amount of Rs. 2,05,000/- within two days and accordingly paid the amount on 24.01.2013. The witness narrated how the incident came to light and how he was able to track the fraud.

The second witness was the Investigating Officer; he identified the statements of the witnesses he had recorded. During the cross-examination, he admitted that there were procedural lapses with regard to issue of cheque book.

The third witness was the Present Officer of Haveri Branch, he identified his statement given before the Investigating Officer and explained the procedure followed for issuing the cheque book and also narrated how the fraud was tracked.

The fourth witness was the Officer C.O. Hubli in HRM Section. He identified the letters written by the CSE to Manager, Canara Bank / DGM Canara Bank C.o Hubli –Mex-24 to Mex-30. The witness was not cross-examined.

In his statement given to the Investigating Officer / Mex-16, CSE had stated that he had sent a person of his acquaintance to the Bank on 15.01.2013 to the Branch in respect of Account No. 1040 and himself had signed the application; accordingly, the said person got the cheque book from the Branch under a false name; he had taken the photo of the signature of the account holder through mobile phone; he sent the same person on 20.01.2013 with two cheques No. 394183 and 394184 and he himself had signed the cheque leaves accordingly, that person encashed the amount and paid Rs. 1,90,000/- to him; on 19.01.2013, he encashed cheque leaves 394185, 394189 received amount of Rs. 1,50,000/- and Rs. 1,75,000/- through Prasanth Daivajnya; he has signed both the cheques as the account holder; all the four cheques are in his hand writing etc.

9. In his defence statement, the CSE emphasised on not examining the vital witnesses Sh. K.L. Uppar and Sh. Prasanth Daivajnya, who had impersonated Sh. K.L. Uppar and the allegation of impersonation against CSE is baseless. The amount withdrawn by Sh. Prasanth Daivajnya was drawn in his own individual capacity.

10. The Enquiry Report is cryptic and without much elaboration of the evidence placed, based on the statement of MW-1, that, MW-1 identified the signature and hand writing of CSE on Mex-11, Mex-12 and Mex-13 and also had stated that the CSE confirmed about destroying the unpaid cheques and appreciating the Report and Statement of Investigating Officer; the charges are held to be proved.

Even the Disciplinary Authority has not gone in detail to the evidence placed before the Enquiry Officer; but in one stroke accepted and concurred with the findings of the enquiry while proposing punishment of dismissal without notice. Even while confirming the proposed punishment there was no consideration of the defence. These facts are emphasised by the 1st Party in the written argument submitted before this Tribunal.

The Judgments of the Apex Court relied by the 1st Party pertains to the Punishment Order imposed on a Judicial Officer after holding Departmental Enquiry (Nirmala J. Jhala vs. State of Gujarat in Civil Appeal 2668/2005 DD 18.03.2013). Roop Singh Negi vs. Punjab National Bank and others in Civil Appeal 7431/2008 DD 19.12.2008) pertains to the punishment Order imposed on a Peon of the Bank. Both Judgements elaborate on the quality of the evidence required before holding an employee guilty of misconduct in a Departmental Enquiry. In first of the above cases, the Apex Court held that

'evidence recorded in the Preliminary Issue cannot be used in regular inquiry as the delinquent is not associated with it, and opportunity to cross-examine the persons examined in such inquiry is not given. Using such evidence would be violative of principles of natural justice'

In the second of the above cases the above principle is reiterated. In the said case also, misconduct alleged was forgery and theft of the Bank cheque book. The Charge Sheeted workman was held guilty of the misconduct on the basis of the confession said to have been given by him before the Police. The Apex Court held

".... Appellant being the employee of the Bank, the said confession should have been proved. Some evidence should have been brought on record to show that he had indulged in stealing the Bank draft book. Admittedly, there was no direct evidence. Even there was no indirect evidence...."

11. Though the Enquiry Report is cryptic without elaborate appreciation of evidence and the Disciplinary Authority has accepted the same without much discussion, I still find that the Enquiry Report is supported by the evidence placed during enquiry. Neither it was suggested to the Bank Manager / MW-1 nor to the Investigating Officer that the hand writing on the disputed documents Mex-11 to Mex-13 / SB pay in challan deposited by him to the account of Sh. K.L. Uppar on 23.01.2013 (for Rs. 3,10,000/-), 24.01.2013 (for Rs. 1,90,000/- and Rs. 15,000/-) are not that of CSE.

It was never the case of the CSE that, he has not given statement before Investigating Officer as per Mex-16 in the presence of MW-1, MW-3 and another Official. The letters written by him as per Mex-24 to Mex-28 are marked through the Official witness (MW-4). He has not disputed the contents, his hand writing and signatures in these letters. All through he admitted his misconduct and pleaded mercy. Hence, at this stage it does not lay in his mouth to insist that the 2nd Party ought to have examined the other vital witnesses whose statements are recorded by the Investigating Officer. There is no gain say to the quality of evidence in a Departmental Enquiry. The Judgements of the Apex Court in the matter of Roop Singh Negi (Supra) is of no avail to him. Since the Enquiry Officer had held the workman guilty of misconduct on the basis of confession statement recorded by Police. In the case on hand no such illegal material is considered.

By examining MW-1 to MW-4 the prosecution had sufficiently brought in both direct and circumstantial evidence about the indulgence of the 1st Party in the alleged misconduct of forgery, fraudulent withdrawal and temporary misappropriation. There are catena of judgements of Higher Courts asserting that dismissal is the appropriate punishment when the misconduct proved is of moral turpitude / fraud / theft. Hence, I endorse the action taken against the workman by the Management as legal and find no mitigating circumstance to interfere in exercise of the jurisdiction under Sec 11-A of 'the Act'.

AWARD

The Petition filed by the 1st Party workman Sh. Basavaraj under Sec 2-A of 'the Act' is rejected.

AWARD

The Central Government vide Order No. L-12012/18/2016-IR(B-II) dated 10.05.2016 in exercise of the powers conferred by Clause (d) of Sub-Section (1) and Sub-Section 2(A) of Section 10 of Industrial Dispute Act, 1947 (for brevity 'the Act' hereafter) referred the following Industrial Dispute for adjudication.

“Whether the action of the Management of Canara Bank, Bangalore in alleged illegal termination from service of Ms. Mamatha is legal, justified and proper? If not, what relief she is entitled to?”

1. The claim of the first party workman is,

She was engaged as daily wage Sweeper for carrying out housekeeping jobs at Seshadripuram Branch of 2nd Party w.e.f 02.06.2013, subsequently was asked to work at ARM Branch, Malleswaram. Initially, she was paid daily wages at the rate of Rs. 136/- per day which was increased from time to time to Rs. 250/- per day. She has worked continuously since the date of her joining; she worked full time along with regular bank workers. Apart from discharging her duty of housekeeping, she was assisting the employees of the Bank in discharge of their official duties. The work performed by her is perennial in nature. The 2nd Party regularised the services of daily wagers and made them permanent Sub-Staff of the Bank; the conditions relating to age and qualification was relaxed to such daily wagers; 1st Party is also entitled for regularisation as permanent Sub-Staff with all settlement benefits. As per the settlement dated 30.08.2014, services of 1500 daily wageworkers were entitled for regularisation. But she was orally terminated from service by the Branch Manager, Malleswaram Branch on 27.11.2014. No prior notice or pay in lieu of the notice was given to her prior to her termination. Retrenchment compensation is not given. Her representation to the 2nd Party seeking restoration of her job and regularisation was not responded. Oral termination of her service is unjust, arbitrary and illegal. She is a 'workman' within the meaning of 'the Act'. She has worked for more than 240 days in a year since 02.06.2013 and she could not have been terminated without complying with the mandatory pre-conditions under Sec 25-G and Sec 25-F of 'the Act'. She has no other source of income to eke out livelihood and is unable to find alternative job in her advanced age.

2. The claim is contested by the 2nd Party on following lines,

She is not engaged by Seshadripuram Branch by 2nd Party as claimed by her. Hence, there is no question of her termination. Before the Regional Labour Commissioner (Bangalore), she claimed that she was engaged at Seshadripuram Branch from 02.06.2013, worked continuously at the said Branch without break and was terminated by the Branch Manager by oral orders. During the conciliation joint discussion, she changed her version that she was engaged at Malleswaram Branch of the 2nd Party. Now, she is claiming that she was engaged at Seshadripuram Branch from 02.06.2013 and thereafter, was asked to work at ARM Branch, Malleswaram. Malleswaram Branch has its own permanent housekeeper. Even if she was engaged there, it was intermittently when the Branch required. There is no privity of contract between her and the 2nd Party. The 2nd Party being a Nationalised Bank has set of rules and norms for recruiting/appointing employees in each cadre. She is never appointed as per the service rules applicable to the 2nd party. There is no employer-employee relationship between the parties. She was never asked to work at ARM Branch Malleswaram and has

not worked full time along with regular Bank workers. The settlement dated 30.08.2014 or any other settlement is not applicable to her. If ever she was engaged, it was for a small period for odd job and she is not entitled for regularisation. Since, she is not appointed or recruited, there is no question of termination / notice, notice pay in lieu of the notice or compensation.

3. Both parties have not adduced evidence however 1st Party since consented for marking the Photostat copies of the documents produced by the 2nd Party pertaining to ARM Branch Malleswaram, same is marked as Ex M-1 and Ex M-2. In fact, these documents were produced by the 2nd Party at the instance of the 1st Party.

4. Ex M-1 (93 Pages) is the debit / transaction slip of the ARM Branch for the period of June 2013 to November 2014. On a travel through this document, nowhere, any transaction slip in the name of 1st Party workman Mamatha could be traced, though some of the slips bear the name of Suresh Poojary towards daily wages.

5. Ex M-2 (297 Pages) is the set of balancing book (general charges) for the period 02.07.2014 to June 2015 pertaining to the ARM Branch. None of the entries in this document corroborates the claim of the 1st Party. Ex M-1 and Ex M-2 since admitted by 2nd Party, it goes without further probe that the 1st Party's identity as 'workman' of the 2nd party is not proved, thus there is no employer-employee relationship between the two parties. The eventuality is, there is no question of illegal termination also and she is not entitled for any relief in this reference. In that view of the matter, the very reference of the dispute as per the Schedule is misconceived. The Schedule presupposes that Smt. Mamatha is illegally terminated from the service and calls for a finding about legality, justifiability and propriety of the said Order. Since it is found that she is not engaged by the 2nd Party as claimed by her and has not worked continuously w.e.f. 02.06.2013 up to 27.11.2014, dispute falls short of the colours / characters of Industrial Dispute contemplated by Sec 2(K) of 'the Act'.

AWARD

The Reference is rejected.
